

# INTERNATIONAL INDIAN SCHOOL - JUBAIL

## Hand out on some important strategies to nurture creative child

*Creativity is for all!!*

### **Renzuilli's 3 Ring Model on Creativity**

#### **What a Teacher/Parent can do to nurture a creative child?**

1. *Accept child's spontaneous responses.*
2. *Be respectful to child's imaginative ideas.*
3. *Provide time to play laugh and loaf.*
4. *Provide material to provoke imagination.*
5. *Imagination, fantasy, day dreaming are important ingredients to nurture creativity.*
6. *Develop tolerance for new ideas.*
7. *Develop guessing, visualizing and hypothesizing.*
8. *Encourage and motivate independent thinking.*
9. *Offer constructive criticism.*
10. *Do not force predetermined ideas.*
11. **LOVE THEM AND LET THEM KNOW IT.**
12. *Encourage students' participation in class.*

*Let us add a few more points to the above list*

*Creativity in my opinion is:*
