## CIRCULAR TERM-1 EXAMINATION

**Dear Parents / Students of Classes IX & XI,**

Greetings!!

This has reference to the recent circular issued by CBSE with regard to the date sheet for Term-1 exams of classes X and XII, commencing from 16<sup>th</sup> November 2021, offline only.

The school has decided to schedule Term-1 exams for classes IX and XI as well, simultaneously offline. The exact date sheet will be informed in due course of time. Therefore, you are requested to ensure for their physical presence and complete vaccination in order to attend exams offline, in the school.

Meantime, it has come to our notice that a few students (of class IX & XI only) travelled to India and could not return back to the kingdom due to travel restrictions and there are a few students who are not fully vaccinated due to some medical reasons. If there are any such students, they should submit the details, specifying the valid reasons and upload the supporting documents (Exit, Re-Entry/Medical Document), following the link below on or before 31<sup>st</sup> October 2021.

The school will plan an alternative option for such students based on the valid data received.
