Dear Parents of class I students,

“Safety First is Safety Always”

The word safety refers to our freedom from danger, injury and damage. It also means to avoid accidents by being careful with what we are doing. When we hear the word safety, we think of it as a procedure to keep us away from harm at all places.

To create awareness and importance of safety, Junior Primary Section is celebrating **Safety Week from 10th November to 14th November 2019**. Students can bring posters, articles, drawings, slogans etc. for the notice board.

A gentle reminder :- Kindly submit your non competitive activity **“Best out of waste”** on or before **03-12-2019**

Dear Parents of class I students,

Date: 06/11/2019

“The best way to make children good is to make them happy.”

To make the children feel special, We are pleased to inform you that, we will be celebrating Children's Day on 14th November, 2019 (Thursday). Our First Prime Minister Pandit Jawaharlal Nehru was very enthusiastic and warm hearted towards children. His birthday is celebrated as Children's Day. Most importantly, this day is a reminder to all of us that children are the strength and foundation of every country and they need love and respect to grow to their full potential.

To spend the day with fun and to add more colours into it, children should come to school in **Colour Dress** with **Identity card, Colour pencils, Tiffin box, Water bottle and Diary.**
