

IISJ/PRL/0036/2025-2026

22 May 2025

CIRCULAR

Dear Parents,

Greetings from IIS Jubail!

The school management has decided that starting from the academic year 2026–27, the school will introduce the basic learning of third languages from Grade 1. This initiative aims to help students build a strong foundation in the language from an early stage.

Introducing the third language at this level will better prepare students to cope with Grade 3 onwards.
