**INTERNAL NOTE**

Dear Staff Members,

**Subject: Urgent: Misuse of Principal's Name and Fake Contact Number**

It has been noticed that someone is using a fake phone number (0577264485) under the name of the IIS Jubail Principal.

WhatsApp messages are also being sent to some teachers, even sometimes asking to do some favours or online payments.

Please inform the Principal or school authorities before responding to any such communication.

Kindly treat this matter seriously and confirm authenticity through official school channels before taking any action.

**Dr. Nisha Madhu**  
Principal
